AMENDMENT AND RESPONSE TO FIRST OFFICE ACTION

Honorable Commissioner of Patents and Trademarks
Washington, DC 20231

Sir:

IN THE CLAIMS:

Kindly amend the claims as follows:

--1. A [composition] method for treating plants in a body of soil, comprising:

contacting said plants in said body of soil with a composition comprising the product of a moderately water soluble first compound including a sulfamic moiety and a substantially water insoluble second compound including macronutrient and/or micronutrient moieties chemically reacted sufficient to provide substantially any predetermined combination of water solution-stable macronutrients and/or micronutrients of substantially any concentration and/or concentrations.--

--2. The [composition] method of claim 1, [further comprising:] wherein said composition further comprises: a plant promoting effective amount of solution-stable Ca.sup.++ moieties; a plant promoting effective amount of solution-stable S.sup.6+
